

THE COACH'S PLEDGE

The Head Coach shall:

- Be responsible for coordinating and managing all practices, track meet competitions, developmental strategies and special programs. The Head Coach shall develop these strategies with input from the Lead Coaches and Assistant Coaches.
- Set up and conduct mandatory meetings with the Lead Coaches every week after the first track meet is held
- Set up and conduct mandatory meetings with the entire Coaching staff every two weeks after the first track meet
- Be responsible for the technical development of the Lead and Assistant Coaches via one-on-one exchanges, literature, and/or clinics
Develop work-out routines for the club
- Delegate specific responsibilities to Lead and Assistant Coaches
Rotate all Coaches as deemed necessary to maximize athlete output and to familiarize all Coaches with all facets of training
- Represent the Club at track meets, unless designated to a Lead Coach
Encourage the certification of all Coaches in at least one area of specialty
Be responsible for all things concerning the everyday operations of the Track Club.
